SEVERE WEATHER AND OTHER EMERGENCIES

Occasionally severe weather makes it necessary to suspend school for a day. When this happens, an announcement will be made on radio stations WILY/WRXX Centralia and WJBD Salem. The district will also send a telephone message using the SKYLERT Notification Service to the phone number on each student's record. Students should refrain from calling school officials to see if there will be school since their phones must be open for emergency calls. If bad weather develops during the day, the Superintendent will use his best judgment for the safety of the pupils. Pupils are not sent home before the regular dismissal time unless there is reasonable assurance that a parent is home or that there are other suitable arrangements for their care.

“THAT EACH MAY LEARN”
